BRIDGE BUILDERS' SOCIETY PLEDGE FORM

The Bridge Builder Society is a vital, new initiative designed to ensure the long-term sustainability of our community foundation by raising essential operational support. When the annual goal is met, surplus funds will be directed to the unrestricted Northfield Shares Community Fund, further strengthening our ability to serve the community in perpetuity. By joining this dedicated group of supporters with an annual contribution of \$1,000 or more, you will help provide the financial stability needed to fuel our mission while also contributing to a fund that can be used to address future needs and opportunities. This initiative will replace our annual fundraising events in the immediate future, and all members will be recognized on our website and annual report. Together, we can create lasting change and build a more resilient foundation for all.
